SUMMARY

Fashion-trained creative producer and designer working across garments, merchandise production, brand imagery, and AI-assisted creative tools. Experienced in end-to-end product development, sourcing, sampling, vendor communication, production coordination, shoot direction, e-commerce presentation, and self-initiated interactive prototypes.

EXPERIENCE

Duvett

Founder - Fashion Brand

08/2025 - Present

New York, United States

- Lead end-to-end brand and product workflow, from concept development and garment design to production coordination, shoot direction, and digital presentation.
- Coordinate sourcing, sampling, vendor communication, product styling, campaign shoots, and launch-ready visual assets.
- Manage product imagery, e-commerce presentation, and visual identity across brand touchpoints.

Mowalola

Designer - Fashion Brand

04/2023 - 04/2024

London, United Kingdom

- Contributed to design development, garment construction, and Adobe Illustrator technical flats.

Ziggy Chen

Paris Showroom Junior Sales Associate - Fashion Brand

01/2024 - 02/2024

Paris, France

- Supported FW24-25 Paris showroom sales and assisted with the brand's first runway presentation.

UJNG

Sales Associate - Buyer Store

09/2023 - 04/2024

London, United Kingdom

- Supported customer sales, inventory organization, and stock management.
